- **When will the e-Apostille be rolled out to the public?**

The e-Apostille will be rolled out in 2025.

- **Will the e-Apostille be accepted by the recipient?**

The applicant should check with the party receiving the documents whether they are able to accept an e-Apostille as this is determined by the party receiving the documents.

- **Does the e-Apostille service work for all ACRA Business Profiles and Business Certificates (Incorporation/Registration)?**

No, it will apply only for ACRA Business Profiles and Business Certificates issued from 4 March 2023 which are issued in OA (OpenAttestation) file format.

- **Will the e-Apostille service be extended to other government agencies besides ACRA?**

We are looking to work with other government agencies and will update our website as and when.

- **Will this phase out paper based apostilles?**

No, the e-Apostille is a service in addition to the existing paper based apostille.
